**BOOK DESIGN MADE SIMPLE wins Gold Medal in the 2016 Independent Publisher (IPPY) Book Awards in Writing/Publishing category.**

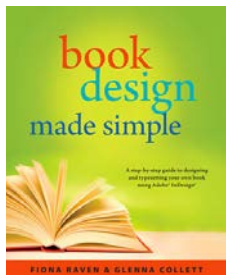

VANCOUVER—Today, 12 Pines Press is pleased to announce *Book Design Made Simple* has been awarded a gold medal in the 20th annual Independent Publisher (IPPY) Book Awards, in the Writing and Publishing category.

The Independent Publisher Book Awards (the “IPPYs”) bring recognition to the exemplary independent, university, and self-published titles published each year. The complete list of 2016 award winners is available here: <http://www.independentpublisher.com/article.php?page=2045>

Coauthor Fiona Raven notes, “We’ve seen the number of self-publishing authors and independent publishers increase dramatically over the past few years with the advent of digital publishing. We wrote *Book Design Made Simple* so that *anyone* can design a professional-looking book and give it the polish it needs to stand out in today’s competitive book market.”

The Independent Publisher Book Awards will celebrate the winners at Book Expo America 2016 in Chicago, Illinois in May.
